

This is an exciting time for
Alternative Dispute Resolution!
Science, technology and other new
developments are dramatically
impacting almost every aspect of
the ADR paradigm.

Join our program and learn about:

- Neuroscience approaches to decision-making in mediation
- Web 2.0 and other free or low cost technology tools for managing your ADR practice
- Ethics at the cross roads of technology, international developments and ADR
- High and low technology tools to make the most of resolving disputes at a distance
...plus a 9th Circuit and Supreme Court arbitration law update from Professor Ross Runkel
